Mission LiFE – Lifestyle for Environment

“This word is LiFE, which means ‘Lifestyle for Environment’. Today, there is a need for all of us to come together and take Lifestyle for Environment forward as a campaign. This can become a mass movement towards an environmentally conscious lifestyle.”

- Prime Minister Narendra Modi

Mission LiFE is an India-led global mass movement to nudge individual and community action to protect and preserve the environment. At the 26th session of the Conference of the Parties (COP26) to the United Nations Framework Convention on Climate Change (UNFCCC) held in Glasgow, United Kingdom, [India shared the mantra of LiFE - Lifestyle for Environment - to combat climate change](#). India is the first country to include LiFE in its Nationally Determined Contributions (NDCs).

Prime Minister Shri Narendra Modi attended a bilateral meeting with UN Secretary-General, H.E. Mr Antonio Guterres and subsequently launched Mission LiFE at the Statue of Unity, Ekta Nagar, Kevadia, Gujarat on [October 20, 2022](#).

During the launch, the Prime Minister remarked, “The mantra of Mission LiFE is ‘Lifestyle for Environment’. It connects the powers of the people for the protection of this earth and teaches them to utilise it in a better way.” Elaborating further, he said, “Mission LiFE makes the fight against climate change democratic, in which everyone can contribute within their capacity. It inspires us to do all that can be done in our everyday life to protect the environment.”

Objectives of Mission LiFE

- Mission LiFE seeks to translate the vision of LiFE into measurable impact.
- Mission LiFE is designed with the objective to **mobilise at least one billion Indians and other global citizens to take individual and collective action** for protecting and preserving the environment in the period 2022 to 2027.
- Within India, at least 80% of all villages and urban local bodies are aimed to become environment-friendly by 2028.2
- It aims to nudge individuals and communities to practise a lifestyle that is synchronous with nature and does not harm it. Those who practice such a lifestyle are recognised as ‘**Pro Planet People**’.

Here's why it is crucial for the world:

Environmental degradation and climate change impact ecosystems and populations across the globe	Nearly 3 billion people are projected to experience chronic water scarcity due to droughts at 2°C	It is estimated that global economy could lose up to 18% of GDP by 2050 without urgent action by one and all
--------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------

Against this backdrop, Swachhta Action Plan (SAP) Club, ECO Club and NSS unit of GCW Udhampur under the able guidance of worthy Principal Prof. Anjali Mahajan and convenorship of Dr. Kewal Kumar, Prof. Tania Mahajan and Prof Sumita Rao respectively in collaboration with Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Human Resource Development, Govt. of India have organised a series of events under Mission Life for environment and World Environment Day, 2023 under the presidency of G20 and Azadi Ka Amrit Mahotsav that had spreaded over 10 to 15 days w.e.f. 20/05/2023 to 05/06/2023. The various activities included were

1. **Awareness Lecture** on Mission Life for Environment on 20-05-2023.
2. **Awareness Lecture** on “E-waste and its Management” on 22-05-2023.
3. **Awareness Rally** on Environment related issues in the adopted village of the college: Rathian on 24-05-2023.
Door to door campaign to raise awareness on environmental conservation in the adopted village of the college: Rathian on 24-05-2023.
A skit/Nukad Naatak by ECO Club, SAP Club and NSS Volunteers in the adopted village of the college: Rathian on 24-05-2023.
4. **Cleanliness drive** with in college campus by ECO Club, SAP Club and NSS Volunteers on 25-05-2023.
5. **Intra-collegiate Poster making competition** on Plastic Pollution on 29-05-2023.
6. **A Nukad Naatak to raise awareness on Environment conservation** by ECO Club, SAP Club and NSS Volunteers within college campus on 30-05-2023.
7. **An Oath Ceremony and a Plantation drive** on occasion of World Environment Day, 2023 on 05-06-2023.

The day by day proceedings of the various activities is discussed as under:

1. AWARENESS LECTURE ON MISSION LIFE FOR ENVIRONMENT

In the first day, an awareness lecture on Mission Life for Environment was organized where Prof. Tania Mahajan was acted as resource person. She introduced the students about Mission Life (Lifestyle for Environment), an India led Global Mass movement launched by Honourable PM of India in 75th year of Independence. She further informed the students about the healthy and sustainable ways of living based on Indian traditions and the values of conservation and moderation through a mass movement for LiFE.

She also sensitized the students about various actions related to energy saving, water saving, reducing usage of Single use plastics, adaptation of sustainable food system and healthy life style. She also motivated the students to have a pledge in their own to contribute for the betterment of environment so that our earth becomes a habitable place for our future generations.

Prof. Anjali Mahajan, Principal of the college congratulated and appreciated the efforts of ECO Club, SAP Club and NSS wing of the college for taking an initiative to spread mass awareness under Mission Life for Environment which is also the need of hour.

Dr. Kewal Kumar, Convenor SAP Club and Expert advisor Eco Club highlighted the importance of Mission Life for Environment and explained in detail the motive behind organizing various activities related to environment.

About 80 students have attended in the awareness lecture. The event was graced by the presence of Prof Paramjit Singh, Assistant Prof. of Computer applications, Dr. Amit Kumar, Assistant Professor of Physics, Prof Sanjeev Upadhyay, Assistant Prof. of Sanskrit, Prof. Yash Paul, Assistant Professor of History, Dr. Dinesh Kumar (PTI), Prof. Pooja Bharti, Assistant Professor of Geography and Prof Yash Kumar, Assistant Professor of Music.

3. AWARENESS RALLY, DOOR TO DOOR CAMPAIGN AND NUKKAD NATUK

In continuation with the ongoing activities under Mission Life for environment and World Environment Day, 2023 under the presidency of G20 and Azadi Ka Amrit Mahotsav, Swachhta Action Plan (SAP) Club, ECO Club and NSS unit of GCW Udhampur under the able guidance of Prof. Anjali Mahajan, Principal of the college and convenorship of Dr. Kewal Kumar, Prof. Tania Mahajan and Prof Sumita Rao respectively in collaboration with Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Human Resource Development, Govt. of India have organized different activities in the adopted village of the college 'Rathian' to sensitise the general masses regarding environmental issues.

In the morning an awareness rally was flagged off to the Rathian village by worthy Principal of the college, Prof. Anjali Mahajan along with senior faculty including Dr. Sanjeet Kour, Nodal Officer AKAM and Prof Ashni Devi, HOD Botany. The message of rally was conveyed with the help of placards and through recitation of slogans by the volunteers. The rally was escorted by Dr. Kewal Kumar, Prof. Sumita Rao, Prof Tania Mahajan and Prof. Yash Kumar.

After the rally, a door to door campaign was undertaken by the volunteers to apprise the villagers about various actions related to energy saving, water saving, reducing the usage of single use plastic, segregation of wet and dry waste, adaptation of healthy life styles and plantation of trees. The volunteers made the villagers aware about the environmental conservation and its significance for future generations.

In the afternoon, a Nukkad Natak on the said theme was presented by the volunteers before the villagers in dogri language which was appreciated by one and all. The message of Nukkad natak was to plant different trees at deserted places, to keep local water bodies 'Bowlies' clean, reduce the usage of plastic and try to follow the rule of 3 R's (reduce, reuse and recycle) to save environment.

4. CLEANLINESS DRIVE AT COLLEGE CAMPUS

To aware the students about the importance of cleanliness in their community, neighbourhood, streets and public spaces Swachhta Action Plan (SAP) Club, ECO Club and NSS unit of GCW Udhampur organized a cleanliness drive within college campus in continuation with the ongoing activities under Mission Life for environment and World Environment Day, 2023 under the presidency of G20 and Azadi Ka Amrit Mahotsav.

About 80 volunteers participated enthusiastically in the cleanliness drive. They picked and segregated biodegradable and non-biodegradable and disposed them properly in prescribed manner. Almost 8 Kg of plastic waste was collected and handed over to ragpickers. Biodegradable waste was disposed in a pit. Students whole heartedly participated in the cleanliness drive and spread the message among other students to keep the campus clutter free.

PRESS RELEASE

Earlier, Prof Sumita Rao, NSS PO motivated the students by highlighting the importance of making the environment clean and green. She also emphasised the benefits of Mission Life as it connects the power of people for the protection of earth and Mission Life directs our energy to fight against climatic change.

Among others, Prof. Ashni Devi (HOD Botany), Prof. Yash Paul (HOD History), Mr. Yash Kumar (Assistant Professor of Music), Mr. Rahil Gujral (Lecturer) and Mr. Pardeep (Lecturer) actively participated in the cleanliness drive.

मिशन लाइफ के तहत आयोजित किया स्वच्छता अभियान

उधमपुर। स्टेट समाचार

छात्रों को उनके समुदाय, पड़ोस, सड़कों और सार्वजनिक स्थानों पर स्वच्छता कार्यक्रम योजना (एसएपी) क्लब, ईको क्लब और जीसीडब्ल्यू उधमपुर की एनएसएस इकाई द्वारा कॉलेज की प्राचार्य प्रो. अंजलि महानन के मार्गदर्शन में संयोजक डॉ.

केवल कुमार, प्रो. तानिया महाजन

और प्रो. सुमिता राव ने महात्मा गांधी राष्ट्रीय ग्रामीण शिक्षा परिषद (एमजीएनसीआई), मानव संसाधन विकास मंत्रालय, भारत सरकार के सहयोग से मिशन लाइफ फॉर एनवायरनमेंट और विश्व पर्यावरण दिवस, 2023 के तहत चल रही गतिविधियों को जारी रखते हुए कॉलेज परिसर के भीतर स्वच्छता अभियान का आयोजन किया। स्वच्छता अभियान में लगभग 80 स्वयंसेवकों ने उत्साहपूर्वक भाग लिया। उन्होंने

बायोडिग्रेडेबल और नॉन-बायोडिग्रेडेबल को उखाड़ा और अलग किया और उन्हें निर्धारित तरीके से ट्रीक से डिस्पोज किया। लगभग 8 किलो प्लास्टिक कचरा एकत्र किया गया और कूड़ा बिनने वालों को सौंप दिया गया। बायोडिग्रेडेबल कचरे को गड्ढे में डाला गया। छात्रों ने पूरे मन से स्वच्छता अभियान में भाग लिया और परिसर को अव्यवस्था मुक्त रखने के लिए अन्य छात्रों के बीच संदेश फैलाया। इससे पहले, प्रोफेसर सुमिता राव, एनएसएस पीओ ने पर्यावरण को स्वच्छ और हरा-भरा बनाने के महत्व पर प्रकाश डालते हुए छात्रों को प्रेरित किया। उन्होंने मिशन लाइफ के लाभों पर भी जोर दिया क्योंकि यह पृथ्वी को सुरक्षा के लिए लोगों की शक्ति को जोड़ता है और मिशन लाइफ हमारी ऊर्जा को जलवायु परिवर्तन से लड़ने के लिए निर्देशित करता है। अन्य लोगों में प्रोफेसर अशनी देवी एचओडी वनस्पति विज्ञान, प्रोफेसर यश पॉल एचओडी इतिहास, यश कुमार संगीत के सहायक प्रोफेसर, राहिल गुजराल व्याख्याता और प्रदीप व्याख्याता ने सक्रिय रूप से भाग लिया।

5. POSTER MAKING COMPETITION ON “SAY NO TO PLASTIC”

A poster making competition on the theme, “ Say no to palstic” was organsied in continuation with the ongoing activities under Mission Life for environment and World Environment Day, 2023 under the presidency of G20 and Azadi Ka Amrit Mahotsav.

Prof. Anjali Mahajan, worthy Principal of the college was the chief guest on this occasion. In poster making competition about 32 students participated and made beautiful and message oriented posters on the given theme. Dr. Sanjeet Kour, HOD Zoology, Prof. Ashni Devi, HOD Botany and Prof. Parmjit Singh, HOD Compute Applications were the jury members. On the basis of judgement of jury members, Miss Vanshika Sharma of Sem-IV, Miss Tanya Verma of Sem-IV and Miss Vandana of Sem -IV were adjudged 1st, 2nd and 3rd position respectively while Miss Namrata of Sem-IV and Miss Vishakha Gandotra of Sem-VI got 1st and 2nd consolation prizes respectively.

Chief Guest of the ocassion, worthy Principal, Anjali Mahajan appreciated the initiative taken by the organisers and stated that such awareness programmes in educational institutions will go a long way in sensitizing the masses about the various envirnomental issues and how the Mission Life will help us to curb the menace of pollution especially plastic pollution.

She further added that our students have to act like ambassadors of such campaigns. Dr. Anita Sharma, Prof. Yash Paul, Prof. Sanjeev Upadhaya and Dr. Dinesh Kumar were among the others who graced the event with their benign presence.

PRESS RELEASE

GCW Udhampur organises essay writing, poster making competitions

GJ REPORT
UDHAMPUR, MAY 30: To celebrate World Environment Day 2023, which would be observed on June 5, the NCC unit (1 J&K Girls Battalion NCC, Srinagar) of Government College for Women, Udhampur is organizing a series of activities with the support and guidance of the College Prof. Anjali Mahajan. The series focuses on the themes of Mission Life (Lifestyle for Environment), G-20 and Azadi Ka Amrit Mahotsav.

In continuation to the ongoing series of activities, the NCC unit, on the 3rd day, organized an essay writing competition on the theme 'Plastic Free India' to generate environmental awareness among the students. The medium of expression was English and Hindi.

The main aim and motive of conducting this activity was to create awareness and to generate some innovative ideas among the community on how to reduce the use of

Students of GCW Udhampur posing for a group photograph on Tuesday.

single use plastics. A total of 15 NCC cadets of 1 J&K Girls BN NCC Srinagar, actively participated in the competition and highlighted the harmful effects of using plastic in our day-to-day life. They also expressed their views and suggestions for making India plastic free.

Earlier, NCC Caretaker of the BN, Shailu Jasrotia, briefed about the rules and highlighted the main theme of the competition 'Plastic Free India'.

Principal of the college, Prof. Anjali Mahajan, appreciated the efforts of the NCC cadets and explained how being environmentally conscious is extremely important and the need of the hour. She also extended warmest wishes to NCC cadets for future endeavors.

Meanwhile a poster making competition on "Say no to plastic" was also held in the College under mission life. The event was organized by Swachhata Action Plan (SAP) Club, ECO Club

and NSS unit of the College under the guidance of Principal of the College, Prof. Anjali Mahajan, and co-ownership of Dr. Kewal Kumar, Prof. Tania Mahajan and Prof. Sumita Rao and in collaboration with Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Human Resource Development, Govt. of India. About 32 students participated in the competition and made beautiful and message oriented posters on the given theme.

7. AN OATH CEREMONY AND A PLANTATION DRIVE ON OCCASION OF WORLD ENVIRONMENT DAY, 2023

On the culmination day, World Environment Day, 2023 was celebrated through a pledge ceremony and a plantation drive in the college campus to raise global awareness to take positive environmental action to protect nature and the planet earth.

About 200 students along with staff of GCW Udhampur came together and pledged that they will make all possible changes in their daily life to protect the environment besides motivating family, friends and others for acquiring eco friendly habits.

Chief Guest on the occasion, Principal Prof. Anjali Mahajan applauded the efforts of the organizers for organizing wonderful fortnightly activities that will go a long way in sensitizing the students and general masses about the conservation of environment and importance of plantation drives. She further added that students are the pillars of nations and should participate more and more in such activities and should plant one tree each year especially on their birthdays and should look after it till it matures.

Later saplings of *Delonix regia* (Gulmohar) and *Caryota urens* (Fish tail Palm) were planted by the Worthy Principal of the college Prof Anjali Mahajan, Dr. Sanjeet Kour (HOD Zoology), Prof. Kewal Kumar (HOD Chemistry) and Ms. Ashni Devi (HOD Botany) along with other staff members.

The drive was also graced by Prof. Suneel Singh Barheyan, Prof Yash Paul, Prof. Rukhsana Kouser, Prof. Binny Kumar, Dr. Kamaldeep Kour, Prof. Rajinder Singh, Prof. Pooja Bharti, Dr. Dinesh Kumar, Prof Yash Kumar and other teaching and non teaching staff.
